

Federal services for small businesses partial landscape

A working repository of the services, programs, actors, and laws that shape federal services for small businesses. This is a partial list and should be updated as needed.

	Government has money, I want it. Corollary: I have the government's money, now it wants an accounting.	Government has knowledge, I want it.	Government controls resources, I want to use them.	Government regulates something, I want to do it.	I have money or information, government wants it.		
	Grants	Contracts	Loans, loan guarantees, sureties	Education and open data	Licenses and permits	Regulations	Taxes and reporting
